

PROFESSIONAL PROPERTY SERVICES

SNOW REMOVAL AND ICE CONTROL

During the winter season we specialize in snow plowing, snow removal and ice control. Our fleet of new backhoes, loaders, skid steers and commercial trucks keep our commercial, industrial and condominium properties free and clear of ice and snow. We maintain numerous large high traffic buildings, condominium complexes and realize that there is value to our clients in keeping their properties 100% liability free. In an industry that usually lacks dependability and professionalism we take great pride in delivering services in a manner that our clients demand and treat their properties as if they were our own. We realize that as a property owner that there is a huge amount of liability in connection with proper snow and ice removal.
